“The companies being honored this year exemplify ACG’s focus on driving middle-market growth and demonstrate the strength and significance of this sector in Georgia,” said Melanie Brandt ACG Atlanta’s President and CEO.

Applicants were required to submit three years of verifiable revenue and employment growth records, which were validated by national accounting firm and founding Diamond sponsor, Cherry Bekaert LLP. ACG also conducted in-person interviews with all qualified applicants. All companies on the list are for profit and headquartered in Georgia with year-end revenues ranging from \$15 to \$500 million.

“These 40 companies represent more than 11,000 new jobs and nearly three billion dollars in revenue growth over the last three years,” said Brittany Boals Moeller, chairman of the 2019 Georgia Fast 40 Awards and Southeast Region Head of Private Wealth Management at Goldman Sachs. “In speaking with many of the CEO’s, the supportive business environment and accessibility of capital are contributors to growth. By far the biggest challenge is tightness of the labor market. We are proud to honor these companies and look forward to learning more insights at the awards gala in June.”

ACG Atlanta will present the awards at the Georgia Fast 40 Awards Dinner and Gala at Flourish Atlanta in Buckhead on June 13, 2019, at which more than 600 leaders in the Georgia business community will be in attendance. Tables and single tickets can be purchased online at <http://www.acg.org/atlanta>.
